Re: Public Records Request

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, this letter serves as a request for U.S. EPA's documents relating to the emissions of contaminants to the air, water, and groundwater from the Precision Castparts Corp. facilities, including PCC Structural, in Multnomah County and Clackamas County, Oregon ("Facilities").

Specifically, we seek documents your office has collected in the course of evaluating or regulating the emissions from the Facilities. Responsive documents should include but are not limited to the data collected by the EPA; summaries and reports based on those data; internal and external communications regarding the emissions at and from the Facilities; Facility permits; review of Facility permits; and other related documents.]

Please send all documents responsive to this request to the following address:

Keller Rohrback L.L.P. requests these documents in support of potential litigation against Precision Castparts Corp. and related entities on behalf of residents, businesses, and others affected by the emissions from its facilities.

Keller Rohrback L.L.P. is willing to pay fees for this request up to a maximum of \$500. If you estimate that the fees will exceed this limit, please contact me or my assistant, Sara Stevens, at (206) 623-1900. We would be happy to discuss the details of our request and ways to facilitate your production of public records in response to it.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized 'D' followed by a horizontal line extending to the right.
